

To Whom it May Concern:

The Texas Division of Emergency Management has determined that the following positions with Aries Marine Corporation are exempt from the mandatory travel-related quarantine requirements of GA-11 and GA-12, because they are traveling in connection with commercial activity, military service, emergency response, health response, or critical-infrastructure functions.

- **Captain**
- **AB**

The above mentioned staff should have in their possession, when arriving to any Texas airport or state-line, this letter and appropriate employment identification confirming the traveler is a representative of the above mentioned company.

Thank you for helping us protect Texas and Texans by limiting the spread of COVID-19.

Regards,

The Texas Division of Emergency Management
